

## Greg Cook Memorial 4 on 4 Hockey Tournament

The Greg Cook Memorial 4 on 4 hockey tournament was created in the memory of Greg Cook, who was a past student of St. Michael Secondary School, and who died tragically in 1998. To honour his memory we would like to continue to hold this tournament as a tribute to his love of the game. In the past, this tournament has been a huge success.

Both house league, competitive levels and girls are offered, with the sincere hope that all entrants will honestly seed their teams in an appropriate ability category.
