Attendance

Attendance (names and contact information) must be taken for all participants, spectators and coaches. This information must be kept for at least one month and available to the Municipality of West Perth in the event of an outbreak.

Equipment

Participants are encouraged to bring their own equipment. Any shared equipment must be sanitized between uses.

Each association is to use their designated storage area for all equipment stored over the season. It is the association's responsibility to clean and sanitize all equipment stored at the West Perth Community Centre.

Arrival and Departure

Please follow all signage posted outside and inside the facility.

Anyone entering the facility is required to wear a face covering. Players can remove face coverings before entering the ice pad.

Participants are asked to arrive no more than 30 minutes before their scheduled ice time and to leave within 30 minutes of the conclusion of their ice time.

Participants and spectators should enter the facility through the main arena doors off the parking lot. Players can make their way to the appropriate dressing room, according to the dressing room schedule on the television inside the doors.

Dressing Room Capacities

Room 2, 3 and 4	13 ea.
Room 5, 6 and 7	17 ea.

Spectators are asked to stay within the facility during the hour of ice.

Amenities

All facility washrooms will be open to participants and spectators for use. Participants are asked to use the washroom within their assigned dressing room. Shower facilities within dressing rooms will be available for use.

The concession booth will be open to the public, starting in October.
