- 2) Teams must be registered with the OWHA, or IIHF if outside Ontario.
- 3) All teams from outside Canada require a Travel Permit, Birth Certificate, certified roster and medical insurance.
- 4) Team representatives must check in at the registration desk one (1) hour prior to the team's first game. Teams must be available to play thirty (30) minutes prior to their scheduled games.
- 5) There will be a maximum of fifteen (15) skaters plus two (2) goaltenders allowed per team, as well as a maximum of five (5) coaches, managers or trainers on the bench.
- 6) There will be a timed two (2) minute warm-up beginning when ice surface is ready.
- 7) Games will be 10-10-15 for Novice, Atom, Peewee, Bantam & Midget. If any team is ahead by 5 or more goals in the third period the tournament will have the option of utilizing "straight time". In this situation the game will proceed under "straight time" unless the gap is reduced to 3 goals, at which point the clock will revert back to stop time. The only time the clock would be stopped during this time is if an on-ice injury should occur.
- 8) Intent to injure and fighting penalties will result in the player being expelled from the game and the remainder of the tournament.
- 9) All players including teams from out of country must wear BNQ Approved neck protectors, and CHA Approved equipment.
- 10) Body checking is NOT allowed in any division.
- 11) Round Robin play will determine group placing. Two (2) points will be awarded for a win, one (1) for a tie.
- 12) There will be no overtime during round robin games.

- 13) In the event of a tie in group placing after completion of the round robin series, the following tie breakers will be used: (A) most wins (B) record against other tied teams (C) goals for minus goals against (D) total goals for (E) total goals against (F) least penalty minutes (G) earliest goal scored in series (H) toss of a coin.
- 14) Overtime will be played in the finals only. Overtime will be sudden victory. It will consist of one five (5) minute stop time sudden victory period in a 4-on-4 format. Teams do not change ends after third period. If still tied at the end of overtime, the tie will be broken by a five (5) player shootout. Opposing shooters will start simultaneously from center ice until all five (5) players have taken their shots. If still tied, each team will provide a player to shoot simultaneously until a winner is declared. No player can take a second penalty shot until all players on their team have shot.
- 15) Five (5) shooters must be identified on the game sheet prior to the start of the finals. Any player serving a penalty that has not expired by the end of sudden death overtime may not participate in the shootout. Another player will have to be designated.
- 16) One (1) thirty (30) second time out for championship games only.
- 17) Teams will have sweater colours designated on the game sheet. Coaches must bring both sets of sweaters to each game.
