2nd annual TEMA Cup Benefits organization that supports first responders with PTSD

June 5, 3 p.m. @ Molson Arena - Rotary Complex

The second annual TEMA Cup, pitting Team TEMA versus the Stratford Fire Department, is scheduled for Sunday, June 5 at the RBC Arena at the Rotary Complex.

Doors open at 1:30 p.m. and puck drop is 3 p.m.

Proceeds from the game are going to the Tema Center Memorial Trust, Heroes Are Human (www.tema.ca). That organization supports correctional, emergency and military personnel who are suffering from post-traumatic stress disorder and this game is organized by Stratford native Larry Baker, a former Alberta peace officer. Larry, a goaltender, will anchor Team TEMA.

Team TEMA consists of members of the community as well as EMS and Law Enforcement personnel. The team got a big boost this week when Stratford native and Stanley Cup champion Tim Taylor stepped forward to be the honorary captain.

Team TEMA has been further bolstered with the additions of former Toronto Maple Leaf Boyd Devereaux and former NHL Greg DeVries.

Stratford native Joey Hishon, who recently signed to play in the top league in Finland, who spent part of this past season in the Colorado Avalanche organization is also confirmed.

Two more mystery NHLers may be confirmed closer to game day.

Other confirmed participants include Stratford mayor Dan Mathieson; former Stratford Cullitons star and U.S. college standout Erik Anderson; former Stratford Culliton and European pro player Devin Didomete; Mark Bell, who just retired from his pro career in Europe and Tyson Baker of the Stratford Cullitons.

A team made up of Stratford Fire Fighters will provide the opposition.

**There is no charge for admission with an option for donations
at the TEMA booth and there is a silent auction**
